

# Khalsa Karate Association General Data Protection Regulation Policy

## Main Principles

- ✓ We will endeavour to ensure that all data collected will be processed lawfully, fairly and responsibly
- ✓ We will only retain data for as long as is necessary for the reasons collected
- ✓ We will collect only that which is necessary and keep it up to date and accurate

## Whose data will we hold?

- ✓ Karate student's and next of Kin's where applicable

## What data will we hold?

- ✓ Student's name, age and gender
- ✓ Contact telephone numbers
- ✓ Details of emergency contacts – name, address and phone number  
Email addresses
- ✓ Home addresses, as provided by individuals for returning license forms and renewals

## Data on Individuals, Students and Instructors

Such data will be used by us for the following purposes:

- ✓ Emergency contact, should an individual fall ill or is injured whilst in our care. In these circumstances, we will need to notify the individuals assigned emergency contact or, if necessary, to do so, pass these details to relevant emergency services
- ✓ License renewal reminders, to ensure individuals maintain an in date license so that we meet insurance requirements and provide adequate cover should injury occur where a claim may be warranted

# Khalsa Karate Association General Data Protection Regulation Policy

## Who has access to our database?

Only our Chairman, Chief Instructor, Licensing Officer and Welfare officer have access to our database. [Social Media/Website www.KhalsaKarate.com](http://www.KhalsaKarate.com)  
[www.facebook.com/KhalsaKarateAssociation](https://www.facebook.com/KhalsaKarateAssociation)

We use social media and our website to promote ourselves, acknowledge successes and to advertise future events. Unless a student/ guardian stipulates against it, at times student's names, photographs or video may appear on these sites.

## Your Rights

It is the right of everyone to have their details removed at any time from our database. If any individual wishes to have their information removed they will need to notify our Chairman and have their details removed as a priority.

## Members Consent

- ✓ It is our aim that the personal data we hold will be accurate, kept up to date and if it is no longer accurate, will be rectified or erased. Personal data will only be stored for as long as is necessary.
- ✓ Personal data will be held in a safe secure way that takes reasonable steps to ensure the security of this information and avoid accidental loss, misuse or destruction
- ✓ Personal data will be updated annually, upon submission of individual's, license applications and renewals
- ✓ Should a student leave our association, we will endeavour to remove their personal data within three months. This allows the student time to return if they choose to do so
